EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Loyal M. Hason on 11/16/2005.

The application has been amended as follows:

- Claim 7, last line, the phrase "suspension lines extend." is changed to:
--suspension lines extend; a vent band on the circularly shaped canopy; a plurality of vent suspension lines connected to the vent band; wherein each vent suspension line includes a lower vent suspension line segment that branches into at least two upper vent suspension line segments.—
- This application is in condition for allowance except for the presence of claims 10-12 withdrawn without traverse. Accordingly, claims 10-12 have been cancelled.

Allowable Subject Matter

2. Claims 1, 2, 5-9, and 13 are allowed.

3. The following is an examiner's statement of reasons for allowance:

The prior art does not disclose a vent band for a circularly shaped canopy having vent suspension lines connected thereto, wherein each vent line includes a lower and two upper segments.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
